New Patient Policy and Fee Explanation

Dear Patient,
The services of Naturopathic Physicians are covered by many extended health care providers, but are currently not covered under the Medical Services Plan (MSP). Please take note of the following clinic policies:

1. The cost of initial consultation is $135.00, 10% off for children, seniors & students.
2. Subsequent visits are $65.00 and are booked in 30 minute increments; any time over this will be billed accordingly, 10% off for children, seniors & students.
3. If you receive Assisted Premiums with the Medical Services Plan, please let us know before drawing up the bill (and provide us with your MSP card number).
4. Payment is due when services rendered. Credit cannot be extended without prior approval.
5. **Appointments not cancelled with sufficient notice (greater than 24 hours) are charged a fee of $55.00 for single appointment, and $80.00 on a double appointment.**
6. There is a $30.00 charge on NSF cheques.
7. Additional services (such as prolotherapy injections, chelation therapy, other injection therapies, supplements, assisted treatments, blood tests, acupuncture, etc) will incur separate or additional fees.
8. Visits and testing are often covered under extended health insurance plans and can be reimbursed accordingly. I would strongly advise you to:
   Look for an extended medical coverage plan to reimburse the costs of your treatment, if required.
   Write or lobby your MLA to get the government to create extended coverage for Naturopathic Physicians.

Yours In Sincerest of Health,

Dr. Kulwinder Sraw, N.D.
